IN REPLY REFER TO HDA-CA Document # \$49612

Mr. Mark Pisano, Executive Officer Southern California Association of Governments 818 West 7th Street, 12th Floor Los Angeles, CA 90017

Dear Mr. Pisano:

SUBJECT: Conformity Determination for SCAG's 2006 Regional Transportation Improvement

Program and SCAG's 2004 Regional Transportation Plan as amended

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our review of the conformity determination for the Southern California Association of Governments' (SCAG) 2006 Regional Transportation Improvement Program (RTIP) and 2004 Regional Transportation Plan as amended (RTP). A joint FTA/FHWA air quality conformity determination for the new 2006 RTIP is required by the Environmental Protection Agency's (EPA) *Transportation Conformity Rule*, 40 CFR Parts 51 and 93, and the United States Department of Transportation *Metropolitan Planning Rule*, 23 CFR Part 450. A new conformity determination was also required on the amended 2004 RTP.

SCAG adopted the 2006 RTIP and made the corresponding conformity determination on July 27, 2006. The conformity determination included amendments to the 2004 RTP that were previously adopted by SCAG on February 2, 2006 and July 27, 2006. The conformity analysis submitted by SCAG indicates that all air quality conformity requirements have been met. Based on our review, we find that the 2006 RTIP and 2004 RTP as amended conform to the applicable state implementation plan in accordance with the provisions of 40 CFR Parts 51 and 93. In accordance with the July 15, 2004, *Memorandum of Understanding (MOU) between the Federal Highway Administration, California Division and the Federal Transit Administration, Region IX*, the FTA has concurred with this conformity determination. Additionally, this approval was made after consultation with the EPA, Region 9 office.

In accordance with the above MOU, the FHWA's single signature constitutes FHWA and FTA's joint air quality conformity determination for SCAG's 2006 RTIP and 2004 RTP as amended. If you have any questions pertaining to this conformity finding, please contact Ms. Jean Mazur, FHWA, at 916-498-5732.

Sincerely,

/s/ K. Sue Kiser
